
2d Fighter Maker 2nd Player Data Download HOT

Files with the player extension can be found as second player data files from the 2D Fighter Maker computer game. There are 4 other types of files that use the player file: files with the player extension, files with the player.dat extension, files with the player.save extension, and files with the player.mp3 extension. Files with extensions player, player.dat and player.save contain various data of the second player, such as the name of the second player, his nickname, game class, and some other data of the second player. Files with the extension player.mp3 contain the sound file played by the second player when playing.
